EXECUTIVE SUMMARY

Nestled in the heart of Zimbabwe, Honeyscoop (Pvt) Ltd stands as a beacon of natural purity and culinary excellence, proudly registered under the laws of the Republic of Zimbabwe. Born from a passion for the finest honey, our journey began with Honeyscoop, an endeavor that quickly blossomed into the creation of Butterscoop, our equally esteemed branch dedicated to crafting the creamiest, most flavorful peanut butter.

Together, Honeyscoop and Butterscoop represent our commitment to excellence, innovation, and the enrichment of local communities. Each jar from our range is a testament to the lush, vibrant landscapes of Zimbabwe, offering a taste of nature's finest treasures. At Honeyscoop (Pvt) Ltd, we're more than just a company; we're a family dedicated to bringing you the purest, most delicious honey and peanut butter, all while fostering sustainability and empowering rural producers.

Discover the taste of Zimbabwe with Honeyscoop and Butterscoop - where every spoonful tells a story of quality, tradition, and the sweet promise of nature's bounty.

ABOUT COMPANY

VISION

We aspire to be recognized globally as a world-class producer of 100% natural and organic honey, honey-related products, and our specially crafted Butterscoop peanut butter.

MISSION

Our mission is to empower rural honey producers and elevate the global presence of Honeyscoop's honey and Butterscoop's premium peanut butter, ensuring excellence in every jar. We aim to create a sustainable ecosystem that uplifts communities and redefines standards for quality in both honey and peanut butter production.

AIMS

1. Quality Assurance: Secure and process the finest raw honey and peanuts, ensuring the Honeyscoop and Butterscoop brands are synonymous with quality.
2. Market Expansion: Broaden our market reach, introducing our products to new local, regional, and international markets to showcase Zimbabwe's premium natural resources.
3. Innovation and Sustainability: Adopt innovative and sustainable practices in our production and distribution, reflecting our commitment to environmental care and product excellence.
